DETAILED ACTION

Allowable Subject Matter

Claims 1-18 are allowed over prior art.

The following is an examiner's statement of reasons for allowance:

Regarding claims 1-18, the prior art fails to teach a method for imaging examination object by administering a contrast agent to the examination object, thereafter determining at least two spatial distributions of x-ray attenuation values basis of a first and second x-ray spectrums, determining at least one of a spatial distribution of one or more predefined atomic number values and a spatial distribution of non-predefined atomic number values present in the examination object and using the spatial atomic number distribution to represent the contest agent by imaging as claimed in independent claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
